

Request for Proposal (RFP) for sustainable exploratory harvesting of Sea Cucumber

The Mauritius/Seychelles Joint Commission of the Extended Continental Shelf is inviting proposals from eligible and qualified operators registered in Mauritius and Seychelles to undertake sustainable exploratory harvesting of sea cucumber in the Joint Management Area (JMA) for an initial staggered period of one year. The two States have developed a framework setting the conditions governing sea cucumber fisheries in the JMA. All selected operators will have an obligation to strictly adhere to these conditions.

For the full list of conditions, please contact the Seychelles JMA Focal Point at the address below.

1. Eligibility – All Request for Proposal should be accompanied by documents attesting the following:

- Proposal and methodology for sea cucumber fishing activities;
- Business/Company documents including Certificate of Incorporation, Memorandum and Articles of Association (if applicable);
- Copy of valid ID card/passport of applicant(s);
- Valid fishing licence of applicant(s);
- Certification of divers;
- All necessary permits for operating vessels at sea including valid skipper licence;
- Experience in offshore sea cucumber fisheries.

Since 2011, Mauritius and Seychelles have exercised joint jurisdiction over the seabed and subsoil of the JMA for the purpose of exploring and exploiting the living and non-living resources, including sea cucumber. The current initiative is being undertaken to evaluate the distribution and stocks of sea cucumber in the JMA.

2. A submission of proposal with supporting documents in a sealed envelope and labelled with the reference “Sustainable Exploratory Harvesting of Sea Cucumber in the JMA” should be addressed to: -
